

AAMCO TRANSMISSIONS AND TOTAL CAR CARE

ABOUT AAMCO

At AAMCO our goal is to be your first choice for all automotive needs by delivering the most comprehensive car care solutions for the life of the vehicle. Our expert Technicians and state of the art diagnostic process ensures that we properly diagnose and fix the vehicle right the first time. We offer quality Remanufactured Transmissions as well as Custom Rebuilt Transmissions at 650 centers nationwide.

In addition to being the world's largest transmission specialist, AAMCO Transmissions & Total Car Care Centers service all systems of the vehicle (engine, electrical, suspension, brakes, steering, A/C, etc.). For added convenience, AAMCO offers "menu pricing" for most routine maintenance services.

AAMCO's National Account Program offers discounted pricing and a Nationwide warranty at any one of our 650 locations. Our flexible payment terms make it easy to do business with AAMCO. We accept credit card payment, including Wright Express, or can extend 30-day billing terms through our central billing system. Our dedicated National Account team is waiting to help you today!

AAMCO...OVER 50 YEARS AS ONE OF THE MOST TRUSTED EXPERTS

For over 50 years AAMCO Transmissions and Total Car Care has been one of the most trusted and recognized "automotive" brands in the country. 1963 was the birth of the business concept for a "chain" of transmission repair franchises, along with the company's incorporation and opening of the first truly franchised center in Newark, NJ.
